Free Application for Federal Student Aid

What is a FAFSA?

- It is the first step in the financial aid process.
- The FAFSA is used to apply for federal student financial aid such as the Pell grant, direct student loans, and work-study.
- The FAFSA is used to apply for the Illinois MAP grant.
- Postsecondary schools use it to award non-federal financial aid (i.e. institutional aid).
- There is *no fee* to apply.

What if You Can't Get Parent Information?

Under *very* limited circumstances, a dependent student can submit a FAFSA without parental information

Unacceptable Reasons to Not Provide Parental Information:

- Your parents do not want to provide their information
- Your parents refuse to contribute to your college expenses
- Your parents do not claim you as a dependent on their income taxes

Acceptable Reasons to Not Provide Parental Information:

- Parents are incarcerated
- Have left home due to an abusive family environment
- Do not know where your parents are and are unable to contact them

Parent Information

Whose information do you report?

➤ For purposes of the FAFSA, there are only three types of parents:

- Biological
- Adoptive
- Stepparents, if remarried

No one else should provide parental information on the FAFSA

• If parents are separated/divorced:

- Parent with whom the student lived the longest in the last 12 months; if equal then . . .
- Parent who provided the most financial support in the last 12 months; if equal, then . . .
- Parent who made the most money

Parent Info: Marital Status

- If both parents are living together and not married, select unmarried & both legal parents living together.
- If parents are separated/divorced, answer the info for the respective parent.
 - Parent with whom the student lived the longest in the last twelve months
 - If time spent with each parent is equal, then it's the parent who provided the most parental support
 - It does **NOT** matter which parent claims the student on their tax return

The screenshot shows the 'Parent Marital Status' section of a FAFSA application. At the top, a progress bar indicates the following steps: Student Demographics (checked), School Selection (checked), Dependency Status (checked), Parent Demographics (active), Parent Financials, Student Financials, Sign & Submit, and Confirmation. Below the progress bar, a green box displays the message: 'Application was successfully saved.' A blue box contains an information icon and the text: 'Because the FAFSA belongs to the student, "you" and "your" always (unless otherwise noted) refer to the student.' The main question is 'As of today, what is the marital status of your parents?' with a dropdown menu currently set to 'Married or Remarried'. Below this, the question 'When did your parents get married or remarried?' is followed by a text box containing '06/1999'. At the bottom right, there are 'PREVIOUS' and 'NEXT' buttons.

Parent Demographic Information

- SSN, name, and date of birth of parent **must** match info in FSA ID for electronic signature to work.
- If a parent does not have a Social Security Number, all zeroes must be entered (i.e. "000-00-000"). If all zeroes are entered, the form will ask a couple of times if the info is correct, but eventually it will allow the user to proceed to the next page.
- ITINs (Individual Taxpayer Identification Numbers) **cannot** be used. An ITIN will begin with the number "9."

The screenshot shows the 'Personal Information for Parent' form. At the top, a progress bar indicates the following steps: Student Demographics (checked), School Selection (checked), Dependency Status (checked), Parent Demographics (active), Parent Financials, Student Financials, Sign & Submit, and Confirmation. Parent Information: Income Information

Who's required to file federal tax return?

- Single parent under 65 years--\$12,200 gross income
- Married parents under 65 years--\$24,400 gross income
- Must indicate filing status. If married, cannot file as Head of Household; that will cause issues.
- If parents are required to file and do not file a tax return, the student will **not** be able to complete the verification process and will **not** receive financial aid.

The screenshot shows the 'Parent Tax Filing Status' section of the FAFSA application. At the top, a progress bar indicates the following steps: Student Demographics, School Selection, Dependency Status, Parent Demographics, Parent Financials (current step), Student Financials, Sign & Submit, and Confirmation. The 'Parent Financials' step is highlighted with a blue circle and a checkmark. Below the progress bar, a green box contains the message: 'Application was successfully saved.' Below this, a blue box with an information icon contains the text: 'Attention! You must provide financial information from your parents' 2019 tax return on the following pages.' The form then asks three questions, each with a dropdown menu and a help icon: 1. 'For 2019, have your parents completed their IRS income tax return or another tax return?' with the selected answer 'Already completed'. 2. 'What type of income tax return did your parents file for 2019?' with the selected answer 'IRS 1040'. 3. 'For 2019, what is your parents' tax filing status according to their tax return?' with the selected answer 'Married-Filed Joint Return'. At the bottom, there is a dark blue box titled 'IRS Data Retrieval Tool' with the text: 'Applying is faster and easier if your parents transfer their tax return information into this FAFSA with the IRS Data Retrieval Tool (IRS DRT)!'. Below this text is a button labeled 'LINK TO IRS' with an external link icon.
